“My son absolutely loved his time at camp. He always felt safe, cared for, and came home each day so happy. One of his favorite parts was getting to fish daily—it was such a highlight for him. Overall, it was a wonderful experience that we’re so grateful for.”

- SS, *BMDC Camp Parent*

“I love everything--the dedicated staff who go above and beyond, the choice of activities, the twice a day swimming. My kids have thoroughly enjoyed their experience this summer at Blue Mountain Day Camp.” - CN, *BMDC Camp Parent*

Age Groups

TURTLES – AGES 3 TO ENTERING KINDERGARTEN

Our youngest campers will play games, enjoy the waterfront, and engage in the natural world around them. Their small group means individualized attention and excellent supervision while they explore and grow. Attending this camp can help ease your child's transition to kindergarten. Campers must be potty-trained prior to the start of the program. SPACE IS LIMITED!

PACERS – ENTERING GRADES 1-3

Pacers will explore, play and learn together. Our counselors will help campers learn new skills, including social skills and self-confidence. Classic camp activities, like fishing and swimming, arts and crafts, and archery make each day exciting and fun. Our campers come away with an enhanced understanding of the world around them.

PATHFINDERS – ENTERING GRADES 4-6

Our Pathfinders program includes a wide range of camp activities, including swimming, sports and arts and crafts. We focus on increasing children's sense of confidence, independence, and teamwork skills.

PIONEERS – ENTERING GRADES 7-9

For our older campers, we offer sports, arts and crafts, sailing, archery and so much more. Our staff inspires confidence and helps campers build their decision-making skills. This builds character, as well as a sense of independence and self-worth.

COUNSELOR IN TRAINING – AGES 15+

If your teen loves Blue Mountain Day Camp, they might want to become a leader themselves! Our program will give future counselors the tools to provide children with a fun and safe summer experience. Successful participants have the opportunity to volunteer at camp later in the summer.
